Chief Keith Glass recognized the fire personnel and paramedics.

Assistant Fire Chief Bill Owens stated that he wanted to commend all of the firefighters and first responders who worked the tragedy on February 12, 2017 for a job well done. It was remarkable the way they handled such a terrible situation, and thanked everyone for all of their efforts. He stated Lt. Jimmy White was the first unit to arrive and did a superb job in rescue and fire suppression. Johnathan Locklin was the first engine to arrive at the scene and operated the support apparatus. He was changing out their air supply tanks and getting them water to drink as they were coming out. Matthew Maxey was the second engine, and he kept the water supply going to the crews so they could put the fire out. Chief Glass and Assistant Fire Chief Owens presented Certificates of Accommodation to Matt Johnson, Ray Johnson, Walton County Captain Patrick Slocum, and Walton County Firefighter Engineer William Barnes for all their outstanding performances on such a tragic day.
