"To Protect and to Serve"

Memorandum

To: Public Safety Committee

From: Chief K. Glass

Date: 17 July 2013

Re: SPLOST PROJECT

At this time I request \$450,000.00 of the projected \$800,004.00 SPLOST POLICE funding for SPLOST cycle. At the projected \$30,000.00 cost per equipped vehicle, we will replace 15 high mileage, less fuel efficient vehicles which will lower fuel, parts and tire cost. I request the project be financed through a 3 year GMA lease / purchase agreement with the first installment due in last quarter of 2014.

Based on the 2013 Michigan State Police Vehicle Test and our current fleet experiences, we have decided to stay with the V 6 Dodge Charger as the flagship of our fleet. If you would like to view the 2013 Michigan State Police Vehicle Test see attached web link at the end of this memorandum. We will use either the Chevrolet Tahoe or Ford Interceptor SUV for K9 and CID vehicles as they are both pursuit rated. The V6 Dodge Durango PPV is being considered for Admin/ Command Staff use. These vehicles are still being reviewed, but would be kept in the \$30,000.00 projected cost for the project.

I recommend accepting the lowest bid of \$22,228.45 for 5 2013 Chargers and \$22,679.90 for 2014 Chargers from Akin Ford.
