Digital/HD TV Signals

This service will be available July 1, 2008. We will provide ABC, CBS, NBC and Fox as well as two other stations (yet to be decided). We will charge \$3000 per month for this service but I will sell it to you for \$2250. Jim Hendrickson will give you a call to answer any technical questions you might have.

Walton County Schools Fiber

It looks like the Board of Regents wants to move forward on this. I need a lease rate for four fibers from our POP to 200 Double Springs Road, Monroe, GA 30656.

Give me a call when you get a minute.
